

CAFÉ (INDOOR + OUTDOOR)

design Piero Lissoni

Small armchair available for indoor and outdoor.

Indoor version: tubular steel frame with chromed finish or in AISI 316 Stainless Steel with matt satin-finish. Seat chassis in lacquered steel for chromed version; self-supporting decorative HPL plastic laminate panel for AISI 316 stainless steel version. Padding in differentiated density polyurethane foam. Woven with coach-hide or PVC profile in the colours of our collection. Seat cushion with preformed, differentiated density polyurethane foam structure, coated with acrylic fibre layers. Backrest cushion in prewashed and sterilized goose down, stitched into separate compartments.

In the Café Light version the backrest cushion is always in polyurethane

foam, coated with acrylic fibre layers.

Fabric or leather upholstery, both fully removable by zippers, after unscrewing the seat chassis from the frame (for chromed version only).

Outdoor version: frame in AISI 316 Stainless Steel with matt satin finish. Seat chassis in self-supporting decorative HPL plastic laminate panel. Woven with PVC profile, in the colours of our collection. Seat and backrest cushions padded with open cell structure polyurethane foam DRYFEEL S covered with waterproof outdoor fabric and upholstery with outdoor fabrics only, fully removable by zippers.

Seat depth: 45cm.
